#### Radon Gas Disclosure.

Radon Gas is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons over time. Levels of Radon that exceed federal and state guidelines have been found in every state in the United States. Additional information regarding Radon Gas may be obtained from your county public health unit. You may also visit [www.epa.gov/iag/radon](http://www.epa.gov/iag/radon) for further reading.
